Section 1: Introductory Information & General Notices

Website: www.cel61.com **School Phone #** 217-732-4136

Regular School Day Schedule

8:15 a.m. (tardy bell rings) – 3:05 p.m.

Arrival & Departures

Students should not arrive or enter the building before 8:00 am unless prior arrangements have been made with a teacher, coach, or activity sponsor.

Students being picked-up at the end of the day will be held in the gym and released to the parent/guardian or authorized person by school personnel. Parents should be advised that there is no supervision on the playground before and after school. If students are dropped off early or remain after school, supervision is the responsibility of the parent/guardian.

Inclement Weather/Emergency Closures

Early dismissals or closing of the school due to inclement weather or other unforeseen circumstances exist. In these situations, parents will be notified using the *SkyAlert* automated parent/guardian notification system. Messages will be sent to all phone and email contacts provided to the District. In addition, families may log on to the District website (www.cel61.com) or tune into to one of the following TV stations listed below for closure/late start information;

- WICS-Channel 20 Springfield
- WAND-Channel 17 Decatur

Emergency Closures During the School Day

Emergency closures during the school day are rare, but sometimes occur in the event of extended power outages, weather emergencies, or other circumstances that require the building to be vacated.

In the event an emergency closure needs to be called, parents/guardians will be notified through the *SkyAlert* system. If you need to contact the office after receiving an emergency closure notification, you can call the main office or email the office at office@cel61.com. The District's phone systems will not work in the event of a power outage, but staff will be able to access emails sent to office@cel61.com through personal cell phones.

Extra-Curricular Cancellations Due to Inclement Weather and Emergencies

Decisions about extra-curricular activities on inclement weather days or in the event of an emergency will be determined by the coach/sponsor and the Superintendent. Parents will be notified of practice cancellation or changes via the *SkyAlert* system or by the coach.

Visitors (1.40)

All visitors, including parents and siblings, are required to enter through the front door of the building and proceed immediately to the main office. Visitors should identify themselves and inform office personnel of their reason for being at school.

Visitors must sign in, identifying their name, the date and time of arrival, and the classroom or location they are visiting. Approved visitors must take a tag identifying themselves as a guest and place the tag to their outer clothing in a clearly visible location. Visitors are required to proceed immediately to their location in a quiet manner. All visitors must return to the main office and sign out before leaving the school.

Parents/guardians wishing to visit the classroom need to contact the teacher at least 48 hours in advance of the desired visit to schedule a classroom visit. Visitors to the classroom will be limited to observing 1 class period or a maximum of 1 hour. Parents wishing to meet with teachers or staff should contact the appropriate personnel via email, voicemail, or written correspondence to identify a mutually agreeable time to meet. Visitors are expected to abide by all school rules during their time on school property. A visitor who fails to conduct himself or herself in a manner that is appropriate will be asked to leave and may be subject to criminal penalties for trespass and/or disruptive behavior.

Equal Opportunity and Sex Equity (1.50)

Equal educational and extracurricular opportunities are available to all students without regard to race, color, nationality, sex, sexual orientation, gender identity, ancestry, age, religious beliefs, physical or mental disability, status as homeless, or actual or potential marital or parental status, including pregnancy.

No student shall, based on sex or sexual orientation, be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or denied equal access to educational and extracurricular programs and activities.

Any student or parent/guardian with a sex equity or equal opportunity concern should contact: Laura Irwin, Superintendent.

Animals on School Property (1.60)

In order to assure student health and safety, animals are not allowed on school property, except in the case of a service animal accompanying a student or individual with a documented disability. This rule may be temporarily waived by the Superintendent in the case of an educational opportunity for students, provided that (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment.

School Volunteers (1.70)

All school volunteers must complete the "Volunteer Application Process" and be approved by the Superintendent prior to assisting at the school. Forms are available in the main office. Some teachers utilize parent volunteers in the classroom. This is an individual teacher decision. Teachers who desire parent volunteers will notify them of available opportunities. For school-wide volunteer opportunities, please contact the Superintendent. Volunteers are required to check in and out at the main office. The Volunteer Application Process is available on CEL's homepage under the Parent tab.

Invitations & Gifts (1.80a)

Party invitations or gifts for classmates should not be brought to school to be distributed, unless you have enough invitations or gifts for the whole class. Items such as these are of a personal nature and should be mailed home. The office is unable to release addresses and phone numbers of students.

Treats & Snacks (1.85)

Due to health concerns and scheduling, treats and snacks for any occasion must be arranged in advance with the classroom teacher. All treats and snacks must be store bought and prepackaged in individual servings. **No homemade treats or snacks are allowed at school.** Treats and snacks must have a clearly printed list of ingredients on the packaging.

Practice

- **No candy or sugary food for birthday celebrations at school.**

Rationale

- Reduce the amount of unhealthy (high sugar, high fat) foods students are given at school which can and often does impact student attention, behavior and academic engagement.
- Limit exposure to students of restricted foods which parents do not want their children eating (ie. Sugar restrictions, Gluten free). This directly relates to problems with increasing rates of childhood obesity.
- Limit potential dangers of exposure to life threatening food allergies for students and staff.

Alternatives to Candy/Sugary Snacks for Birthdays

- Have lunch with your child.
- Bring one small item for classmates (pencil, eraser, bookmark, etc.).
- Donate a book to the classroom library in honor of your child's birthday.
- Bring a healthy snack that contains little or no added sugar, fat, or salt.

Acceptable Healthy Snacks

- Any fresh fruit or vegetable (washed and ready to eat)
- Animal Crackers
- String Cheese
- Whole grain crackers or cereal bars
- Go-Gurt

Prohibited Snacks

- Treats with icing including cakes and cupcakes
- Juice, punch, and soda

***Only water is permitted outside of the cafeteria. If it must be eaten with a spoon, it is not permitted.**

Office/Classroom Telephone Policy

Students may use the office telephone if they become ill or some other emergency occurs. Calling for forgotten P.E. clothes or materials is not such an emergency. Permission is required before using the phone.

Video & Audio Monitoring Systems (1.100)

A video and/or audio monitoring system may be in use on school busses and a video monitoring system may be in use in public areas of the school building. These systems have been put in place to protect students, staff, visitors and school property. If a discipline problem is captured on audiotape or videotape, these recordings may be used as the basis for imposing student discipline. If criminal actions are recorded, a copy of the tape may be provided to law enforcement personnel. Due to privacy laws, parents/guardians are not permitted to view videotapes.

Accommodating Individuals with Disabilities (1.110)

Individuals with disabilities will be provided an opportunity to participate in all school-sponsored services, programs, or activities. Individuals with disabilities should notify the superintendent or building principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Students with Food Allergies (1.120)

State law requires our school district to annually inform parents of students with life-threatening allergies or life-threatening chronic illnesses of the applicable provisions of Section 504 of the Rehabilitation Act of 1973 and other applicable federal statutes, state statutes, federal regulations and state rules.

If your student has a life-threatening allergy or life-threatening chronic illness, please notify the Superintendent at 217-732-4136.

Federal law protects students from discrimination due to a disability that substantially limits a major life activity. If your student has a qualifying disability, an individualized Section 504 Plan will be developed and implemented to provide the needed supports so that your student can access his or her education as effectively as students without disabilities.

Not all students with life-threatening allergies and life-threatening chronic illnesses may be eligible under Section 504. Our school district also may be able to appropriately meet a student's needs through other means.

Care of Students with Diabetes (1.130)

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the school principal. Parents/guardians are responsible for and must:

Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school for their child.

Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.

Sign the Diabetes Care Plan.

Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan.

For further information, please contact the Superintendent.

Care of Students with Diabetes (1.130)

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the school principal. Parents/guardians are responsible for and must:

- a) Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school for their child.
- b) Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.
- c) Sign the Diabetes Care Plan.
- d) Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan.

For further information, please contact the Superintendent.

Suicide and Depression Awareness and Prevention (1.140)

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important goals of the school district.

The school district maintains student and parent resources on suicide and depression awareness and prevention. Much of this information, including a copy of school district's policy, is posted on the school district website. Information can also be obtained from the school office.

Section 2: Attendance, Grading, Homework, and Promotion

Attendance (2.10)

Illinois law requires that whoever has custody or control of any child between seven and seventeen years of age (unless the child has already graduated from high school) shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session. Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session.

There are certain exceptions to the attendance requirement for children who: attend private school, are physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), are lawfully and necessarily employed, are between the ages of 12 and 14 while in confirmation classes, have a religious reason requiring absence, or are 16 or older and employed and enrolled in a graduation incentive program.

Once students have hit their 10th absence, parents may be required to attend an attendance meeting. Parents will be notified of attendance meetings via mail. Because loss of instructional time due to chronic truancy may negatively impact a student's academic growth, chronic truancy may be a factor in retention of a student.

Student Absences (2.20)

There are two types of absences: excused and unexcused. Excused absences include: illness, observance of a religious holiday, death in the immediate family, family emergency, situations beyond the control of the student, circumstances that cause reasonable concern to the parent/guardian for the student's safety or health, attending a military honors funeral to sound TAPS, or other reason as approved by the building principal. All other absences are considered unexcused. All other absences are considered unexcused. Pre-arranged excused absences must be approved by the building principal. The school may require documentation explaining the reason for the student's absence.

In the event of any absence, the student's parent/guardian is required to call the school at 217-732-4136 between 7:15-9:30 a.m. to explain the reason for the absence. If a call has not been made to the school, a school official will call the home to inquire why the student is not at school. If the parent/guardian cannot be contacted, the absence will be marked as unexcused. Absences exceeding 5% of the total school year meet the criteria for chronic truancy under Illinois law.

Military: Additionally, a student will be excused for up to 5 days in cases where the student's parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. The Board of Education, in its discretion, may excuse a student for additional days relative to such leave or deployment. A student and the student's parent/guardian are responsible for obtaining assignments from the student's teachers prior to any excused absences and for ensuring that such assignments are completed by the student prior to his or her return to school.

Tardiness: Any student arriving after 8:15 will be counted as tardy. Students must report to the main office before reporting to their homeroom or 1st hour class. Students with 5 or more tardies will be referred to the superintendent/principal.

Vacations: In the event a planned student absence will occur, parents are asked to notify the school a minimum of 5 days in advance so that teachers can provide the student with as much work as possible prior to his/her absence. Teachers will provide the students with additional activities, tests, quizzes, or materials that were missed during the absence.

Make-Up Work: For all excused absences, students will have 2 days for each day they were absent to complete make-up work. Homework can be requested by contacting the main office in the event of an absence.

Excessive Absences: Excessive Absences There is a close relationship between student attendance and academic success. When a student is absent from class, valuable information is missed. The following guidelines which are intended to maintain an open line of communication between the school and parents will be followed:

- Attendance reports will be reviewed monthly.
- Parents/Guardians of students with excessive absences will be notified by a letter indicating the number of absences.
- If absences continue to be an issue, a meeting will be scheduled with the administrator(s), parents/guardians, and the student.
- Referral to the truancy officer.

This is not to indicate that a child's absence is not legitimate and each situation will be handled on a case-by-case basis and the previous steps may not be followed in the order listed above.

Release Time for Religious Instruction/Observance (2.30)

A student will be released from school, as an excused absence, to observe a religious holiday or for religious instruction. The student's parent/guardian must give written notice to the building principal at least 5 calendar days before the student's anticipated absence(s). Students excused for religious reasons will be given an opportunity to make up all missed work, including homework and tests, for equivalent academic credit.

Make-Up Work (2.40)

If a student's absence is excused or if a student is suspended from school, he/she will be permitted to make up all missed work, including homework and tests, for equivalent academic credit. Students who are unexcused from school will not be allowed to make up missed work.

Truancy (2.50)

Student attendance is critical to the learning process. Truancy is therefore a serious issue and will be dealt with in a serious manner by the school and district.

Students who miss 5% or more of the prior 180 regular school days without valid cause (a recognized excuse) are considered chronic truants. Students who are chronic truants will be offered support services and resources aimed at correcting the truancy issue.

If chronic truancy persists after support services and other resources are made available, the school and district will take further action, including:

- Referral to the truancy officer
- Reporting to officials under the Juvenile Court Act
- Referral to the State's Attorney
- Appropriate school discipline

A parent or guardian who knowingly and willfully permits a child to be truant is in violation of State law.

Grading & Promotion (2.60)

Grading:

School report cards are issued to students on a quarterly basis. For questions regarding grades, please logon to Skyward *Family Access* or contact the student's teacher.

Grading Scales:

K-2nd Grade

+ Good Progress

- Needs Improvement

X Not Present Yet

Mastery Level (M) = Mastery means that the student has averaged 90% or higher on a specific common core standard.

Developing Level (D) = Developing means that the student has averaged between 80-89% on a specific common core standard.

Introductory Level (I) = Introductory means that the student has averaged between 70-79% on a specific common core standard.

Remediation Level (R) = Remediation means that a student has averaged below 69% on a specific common core standard.

3rd – 8th Grade

A+ = 100	A = 93-99	A- = 90-92
B+ = 87-89	B = 83-86	B- = 80-82
C+ = 77-79	C = 73-76	C- = 70-72
D+ = 67-69	D = 63-66	D- = 60-62
F = 59 and Below		

Promotion:

The decision to promote a student to the next grade level is based on successful completion of the curriculum, attendance, performance on standardized tests and other testing. A student will not be promoted based upon age or any other social reason not related to academic performance. Retention will be considered under the following circumstances;

Kindergarten: A Kindergarten student will be considered for retention depending upon emotional and academic readiness.

1st and 2nd Grade: A student who is achieving at the "Remediation Level" in Math and Reading

3rd – 6th Grade A student who received two F's as a final grade in 2 academic subjects

7th – 8th Grade Students in grades 7th and 8th must pass 2 of 4 core classes (math, science, social studies, and language arts) with a year-end average of 60% or better to be promoted to the next grade.

Honor Roll Criteria:

Eligibility for honor roll is calculated at the end of each 9 week grading period for grades 5-8. There are three levels of honor roll. Students will qualify if they meet the G.P.A.'s outlined below and have no C's, D's, or F's for that 9 weeks.

High Honors Students with a 9 week G.P.A. of 3.875-4.00

Honors Students with a 9 week G.P.A. of 3.50-3.874

Honorable Mention Students with a 9 week G.P.A. of 3.00-3.49

Homework (2.70)

The purpose of homework is to provide students additional independent and guided practice for students outside of the regular school day. The district recognizes that its teachers are the experts in their content areas and are best equipped to assist students with homework.

In grades Kindergarten through 4th grade, homework will be limited to independent reading assignments (or related reading programs), studying for tests when a study guide is given for review, independent writing assignments, or other review activities. Parents wishing to provide their child with enrichment activities to support learning in the classroom may request information and ideas from the teacher.

To prepare students for high school, students will begin receiving homework in core curricular areas beginning in 5th grade. Students will be given time within the school day to work on assignments, but some assignments may need to be completed at home. Students can expect to receive no more than 10 minutes of homework per grade level daily. For example a 5th grader would have no more than 50 minutes of homework per night. Teachers will post homework assignments daily on *Family Access* and/or Google Classroom.

To ensure that homework is meaningful, the administrator(s) shall provide guidance to the staff so homework is:

- Used to reinforce and apply previous taught concepts, principles, and skills
- Is not assigned for disciplinary purposes
- Serves as a communication between home and school
- Encourages independent, self-directed, higher-order thinking
- Is of appropriate frequency and length, and does not become excessive according to best practices.

Skyward Family Access

The Skyward *Family Access* system is a home-school communication tool which allows parents to monitor their child's grades, assignments, attendance, lunch account balances, and receive messages for the teachers. The link to *Family Access* can be found on the front page of the school website. This is a password protected system. Login and passwords may be obtained by contacting the main office.

Skyward Skylert

Skylert is a parental notification system that allows the district, teachers, and coaches to send emails, text messages and recorded phone messages for updates, reminders, and information about school closures. The numbers that will be contacted are those that are provided at registration. In order to ensure families are receiving messages, please update your contact information on *Family Access* if your phone or email changes. Only the first contact on the family information page will be notified via Skylert when non-emergency messages are sent. Emergency messages are those that notify parents of an immediate emergency during the school day.

Multi-Resident Families

If parents require more than one Skyward password, separate notification on *Skylert*, or additional copies of report cards, please contact the main office.

Home and Hospital Instruction (2.100)

A student who is absent or whose physician anticipates his or her absence from school for an extended period of time, or has ongoing intermittent absences because of a medical condition, may be eligible for instruction in the student's home or hospital.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction before the birth of the child when the student's physician indicates, in writing, that she is medically unable to attend regular classroom instruction as well as for up to 3 months after the child's birth or a miscarriage. For information on home or hospital instruction, contact the superintendent/principal.

Section 3: Student Fees, Residency, and School Lunch/Breakfast Program

Fines, Fees, and Charges; Waiver of Student Fees (3.10)

The school establishes fees and charges to fund certain school activities. Some students may be unable to pay these fees. Students will not be denied educational services or academic credit due to the inability of their parent or guardian to pay fees or certain charges. Students whose parent or guardian is unable to afford student fees may receive a fee waiver. A fee waiver does not exempt a student from charges for lost and damaged books, locks, materials, supplies, and/or equipment.

Applications for fee waivers may be submitted by a parent or guardian of a student who has been assessed a fee. A student is eligible for a fee waiver if at least one of the following prerequisites is met: 1. The student currently lives in a household that meets the free lunch or breakfast eligibility guidelines established by the federal government pursuant to the National School Lunch Act; or 2. The student or the student's family is currently receiving aid under Article IV of the Illinois Public Aid Code (Aid to Families of Dependent Children).

The building principal will give additional consideration where one or more of the following factors are present:

- An illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Unemployment;
- Emergency situations; or
- When one or more of the parents/guardians are involved in a work stoppage.

The building principal/superintendent will notify the parent/guardian promptly as to whether the fee waiver request has been granted or denied. Questions regarding the fee waiver application process should be addressed to the building principal/superintendent.

Residency Policy

A student's residence is the same as that of the person who has legal custody of the student. Proof of residency in the Chester-East Lincoln School District will be required for all students at registration. In order to establish residency, parents/guardians must provide the student's birth certificate, and four proofs of residency. Examples of documents that can be used to establish residency include; a current property tax bill, mortgage agreement (signed and dated), lease agreement, utility bill, valid driver's license or state ID, current public aide card, homeowners/renters insurance policy, or a voter registration card.

Breakfast Program

Breakfast is served from 7:55-8:15a.m. Breakfast is \$1.60 (K-8).

School Lunch Program (3.20)

A student may bring a sack lunch from home or may purchase a school lunch for \$2.30 and/or milk for \$.35. Free or reduced price meals are available for qualifying students. For an application, contact the school office.

Parents may check their child's lunch account balance on Skyward *Family Access*. Any student with a negative balance of \$5.00 or more in his/her lunch account will be given a peanut butter sandwich (cheese will be substituted for children with nut allergies) and a milk daily until the lunch account is brought current.

Non-Discrimination Statement: In accordance with Federal law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, age, disability, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. To request a copy of the complaint form, call (866) 632 9992. Submit your completed form or letter to the USDA by: Mail: USDA, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410, Fax: (202) 690-7442, Email: program.intake@usda.gov. This institution is an equal opportunity provider.

Lunch Guests

Parents/Guardians are welcome to eat lunch with their children (up to one time per week) if they notify the school office by 9:00 a.m. to verify space availability for the date requested. Providing food from outside of school for friends or other students at the lunch table is prohibited. **Only water and/or milk is permitted in the lunchroom.**

Lunch guests will need to pay for their lunch ahead of time in the office.

Section 4: Transportation

Bus Transportation (4.10)

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school. A list of bus stops will be published after registration in August. Parents will be notified which stop their child will be picked up. Students are not permitted to ride a bus other than the bus to which they are assigned.

The school bus is an extension of the school. Students are expected to behave on the bus the same as they would in their classroom. While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the transportation director or the superintendent. Parents will be informed of any and all inappropriate student behavior on a bus.

Parents are encouraged to discuss bus safety and appropriate behavior with their children before the beginning of the school year and regularly during the year.

In the interest of the student's safety and in compliance with state law, students are expected to observe the following rules:

1. Students will sit in their assigned seat with their feet on the floor in front of them; not in aisle. Students must be facing forward while the bus is in motion as if they were wearing a seatbelt.
2. Do not move from one seat to another while on the bus.
3. Keep all parts of the body and all objects inside the bus.
4. Loud conversation, singing, boisterous conduct, unnecessary noise or profanity is not allowed.
5. Enter and exit the bus only when the bus is fully stopped.
6. **All school rules apply while on the bus, at a bus stop, or waiting for the bus.**
7. Use emergency door only in an emergency.
8. In the event of emergency, stay on the bus and await instructions from the bus driver.
9. Good behavior and behavior that will not distract the bus driver from operating the bus safely is required. Crowding, pushing, scuffling, and other needless commotion are grounds for disciplinary action.
10. Do not open windows without the driver's permission.
11. Keep the bus neat and clean.
12. **Inappropriate behavior will be reported to school authorities and failure to observe safety rules may result in suspension from bus services.**
13. Be ready and waiting for the bus ten minutes before the scheduled arrival time. Depending on the weather or the number of students riding, the bus could be up to 10 minutes early or 10 minutes late. If a student misses the bus, the bus will not go back to pick the student up, and it will be the responsibility of the parent to bring them to school.
14. Never tamper with, damage, or deface anything in or on the bus, or any of the bus or school equipment.
15. Keep book bags, books, packages, coats, and other objects out of the aisles. Keep all body parts clear of the aisles when seated.
16. Eating and drinking is not permitted on the bus.
17. Parents will be liable for any defacing or damage students do to the bus.
18. Students are to remain quiet at railroad crossings.
19. Headphones must be used when listening to music.
20. Throwing objects is prohibited.
21. Students are not permitted to ride a bus other than the bus to which they are assigned.

Students may be suspended from riding the school bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct. If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The district's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus. Students who have been suspended multiple times may be brought to the Board for removal from the bus for the remainder of the current school year.

Video and audio cameras may be active on busses to record student conduct and may be used for the purposes of investigation into misconduct or accidents on the bus.

For questions regarding school transportation issues, contact Mrs. Strampp at 217-732-4136.

Winter Bus Attire

During winter months when the actual temperature or wind chill is below 32 degrees, students riding the bus should wear winter coats, hats, and gloves. Our bus routes include many rural areas where there is always a chance a bus could get stuck or in extremely low temperatures, break down. Having students dressed appropriately is an important safety precaution all students should take.

Student Pick-Up and Guest Parking (4.20)

Parents and others authorized to drop off /pick up students from school need to enter school grounds at the north entrance of the school by the track and proceed around the school to the main doors. For the safety of our students, cars should remain in a single file line during morning drop off and after school pick up.

Visitors to the school may park west of the main entrance on the left hand side during normal school hours. Vehicles MAY NOT be parked or located in the bus lanes or fire lanes at ANY TIME. Bus lanes and fire lanes are located at the south end of the school on the drive between the playground and sports field. Vehicles located in these locations may be ticketed and/or towed by the police.

Section 5: Health and Safety

Immunization, Health, Eye & Dental Examination (5.10)

Required Health Examinations and Immunizations

All students are required to present appropriate proof that the student received a health examination and the immunizations against, and screenings for, preventable communicable diseases within one year prior to:

1. Entering Kindergarten or the first grade;
2. Entering the sixth and ninth grades; and
3. Enrolling in an Illinois school for the first time, regardless of the student's grade.

The required health examinations must include a diabetes screening (diabetes testing is not required) and a statement from a physician assuring "risk-assessed" or screened for lead poisoning.

Per Illinois School Code, failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the school, subject to certain exceptions. New students who register mid-term shall have 30 days following registration to comply with the health examination and immunization regulations. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by an appropriate medical professional.

Eye Examination

All students entering Kindergarten or the school for the first time must present proof before October 15 of the current school year of an eye examination performed within one year prior to entry of Kindergarten or the school. Failure to present proof by October 15, allows the school to hold the student's report card until the student presents: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15.

Dental Examination

All children entering Kindergarten and the second and sixth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year. Failure to present proof allows the school to hold the child's report card until the student presents: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15.

Exemptions

A student will be exempted from the above requirements for:

1. Medical grounds if the student's parent/guardian presents to the building principal a signed statement explaining the objection;
2. Religious grounds if the student's parent/guardian presents to the building principal a completed Certificate of Religious Exemption;
3. Health examination or immunization requirements on medical grounds if a physician provides written verification;
4. Eye examination requirement if the student's parent/guardian shows an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist; or
5. Dental examination requirement if the student's parent/guardian shows an undue burden or a lack of access to a dentist.

Student Medication (5.20)

Taking medication during school hours or during school-related activities is prohibited unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child by completing a "Student Medical Authorization Form."

No school or district employee is allowed to administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed School Medication Authorization Form is submitted by the student's parent/guardian. No student is allowed to possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this procedure.

A student may possess an epinephrine auto-injector (EpiPen®) and/or an asthma inhaler prescribed for immediate use at the student's discretion, provided the student's parent/guardian has completed and signed an Authorization for Student Self-Medication Form. The school and district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must agree to indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or asthma inhaler, or the storage of any medication by school personnel.

Guidance & Counseling (5.30)

The school provides a guidance and counseling program for students. The school's counselors are available to those students who require additional assistance.

Safety Drill Procedures (5.40)

Safety drills will occur at times established by the school board. Students are required to be silent and shall comply with the directives of school officials during emergency drills. There will be a minimum of three (3) evacuation drills, a minimum of one (1) severe weather (shelter-in-place) drill, a minimum of one (1) law enforcement drill, and a minimum of one (1) bus evacuation drill each school year. There may be other drills at the direction of the administration. Drills will not be preceded by a warning to the students.

Communicable Disease (5.50)

The school will observe recommendations of the Illinois Department of Public Health regarding communicable diseases.

1. Parents are required to notify the school if they suspect their child has a communicable disease.
2. In certain cases, students with a communicable disease may be excluded from school or sent home from school following notification of the parent or guardian.
3. The school will provide written instructions to the parent and guardian regarding appropriate treatment for the communicable disease.
4. A student excluded because of a communicable disease will be permitted to return to school only when the parent or guardian brings to the school a letter from the student's doctor stating that the student is no longer contagious or at risk of spreading the communicable disease.

For everyone's protection, sick children must be at home, not in school. Do not send your child to school if he/she has a fever, has vomited within the last 24 hour period, has diarrhea, inflamed eyes, a rash of undetermined origin, or obvious signs of a respiratory infection. **After being ill, the child is to remain at home for 24 hours after the temperature has returned to normal (99 degrees or less.)** The school needs to be informed of any student having a special health problem or communicable disease.

If a student should become ill or injured during the school day, parents will be notified using the emergency information in Skyward. **It is critical that parents keep these emergency/cell phone numbers current.**

Head Lice (5.60)

The school will observe the following procedures regarding head lice.

Parents are required to notify the school nurse if they suspect their child has head lice.

Students invested with live lice will be sent home following notification of the parent or guardian.

The school will provide written instructions to parent or guardian regarding appropriate treatment for the infestation if needed.

A student excluded because of head lice will be permitted to return to school only when the parent or guardian brings the student to school to be checked by the school and the child is determined to be free of the head lice. A student that was sent home with head lice is prohibited from riding the bus to school to be checked for head lice. A parent or guardian must bring them, and the student will be sent home if live lice are found.

All school staff members are available for help with a bully or to make a report about

bullying. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the district complaint manager or any staff member. Anonymous reports are also accepted by phone call or in writing. Complaint Managers: Ashley Aper (aaper@cel61.com) or Laura Irwin (lirwin@cel61.com)

A reprisal or retaliation against any person who reports an act of bullying is prohibited. A student's act of reprisal or retaliation will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

A student will not be punished for reporting bullying or supplying information, even if the school's investigation concludes that

no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

Making a Complaint; Enforcement

Students are encouraged to report claims or incidents of sexual harassment, teen dating violence or any other prohibited conduct to the nondiscrimination coordinator, building principal, assistant building principal, dean of students, or a complaint manager. A student may choose to report to a person of the student's same sex. Complaints will be kept confidential to the extent possible given the need to investigate. Access to Student Social Networking Passwords & Websites (6.70)

School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

Section 7: Internet, Technology, and Publications

Internet Acceptable Use (7.10)

All use of electronic network use must be consistent with the school's goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. These rules do not attempt to state all required or proscribed behavior by users. However, some specific examples are provided. **The failure of any user to follow these rules will result in the loss of privileges, disciplinary action, and/or appropriate legal action.**

Acceptable Use - Access to the electronic network must be: (a) for the purpose of education or research, and be consistent with the District's educational objectives, or (b) for legitimate business use.

Privileges - The use of the electronic network is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrator or building principal will make all decisions regarding whether or not a user has violated these procedures and may deny, revoke, or suspend access at any time. His or her decision is final.

Unacceptable Use - The user is responsible for his or her actions and activities involving the network. Some examples of unacceptable uses are:

1. Using the network for any illegal activity, including violation of copyright or other contracts, or transmitting any material in violation of any State or federal law;
2. Unauthorized downloading of software, regardless of whether it is copyrighted or de-virused;
3. Downloading of copyrighted material for other than personal use;
4. Using the network for private financial or commercial gain;
5. Wastefully using resources, such as file space;
6. Hacking or gaining unauthorized access to files, resources, or entities;
7. Invading the privacy of individuals, that includes the unauthorized disclosure, dissemination, and use of information about anyone that is of a personal nature including a photograph;
8. Using another user's account or password;
9. Posting material authored or created by another without his/her consent;
10. Posting anonymous messages;
11. Using the network for commercial or private advertising;
12. Accessing, submitting, posting, publishing, or displaying any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, harassing, or illegal material; and
13. Using the network while access privileges are suspended or revoked.

Network Etiquette - The user is expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:

1. Be polite. Do not become abusive in messages to others.
2. Use appropriate language. Do not swear, or use vulgarities or any other inappropriate language.
3. Do not reveal personal information, including the addresses or telephone numbers, of students or colleagues.
4. Recognize that electronic mail (e-mail) is not private. People who operate the system have access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities.
5. Do not use the network in any way that would disrupt its use by other users.
6. Consider all communications and information accessible via the network to be private property.

No Warranties - The school and district make no warranties of any kind, whether expressed or implied, for the service it is providing. The school and district are not responsible for any damages the user suffers. This includes loss of data resulting from delays, non-deliveries, missed-deliveries, or service interruptions caused by its negligence or the user's errors or omissions. Use of any information obtained via the Internet is at the user's own risk. The school and district specifically deny any responsibility for the accuracy or quality of information obtained through its services.

Indemnification - The user agrees to indemnify the school and district for any losses, costs, or damages, including reasonable attorney fees, incurred by the school or district relating to, or arising out of, any violation of these procedures.

Security - Network security is a high priority. If the user can identify a security problem on the Internet, the user must notify the system administrator or building principal. Keep your account and password confidential. Do not use another individual's account without written permission from that individual. Any user identified as a security risk may be denied access to the network.

Vandalism - Vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, or any other network. This includes, but is not limited to, the uploading or creation of computer viruses.

Telephone Charges - The District assumes no responsibility for any unauthorized charges or fees, including telephone charges, long-distance charges, per-minute surcharges, and/or equipment or line costs.

Copyright Web Publishing Rules - Copyright law prohibits the republishing of text or graphics found on the Web without explicit written permission.

- For each re-publication (on a Web site or file server) of a graphic or a text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the Web address of the original source.
- Students engaged in producing Web pages must provide library media specialists with e-mail or hard copy permissions before the Web pages are published. Printed evidence of the status of "public domain" documents must be provided.
- The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. The manager of the Web site displaying the material may not be considered a source of permission.

Use of Email – The District's email system, and its constituent software, hardware, and data files, are owned and controlled by the School District. The School District provides email to aid students as an education tool.

1. The District reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account's user. Unauthorized access by any student to an email account is strictly prohibited.
2. Each person should use the same degree of care in drafting an electronic mail message as would be put into a written memorandum or document. Nothing should be transmitted in an e-mail message that would be inappropriate in a letter or memorandum.
3. Electronic messages transmitted via the school district's Internet gateway carry with them an identification of the user's Internet "domain." This domain name is a registered domain name and identifies the author as being with the school district. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the school and district. Users will be held personally responsible for the content of any and all electronic mail messages transmitted to external recipients.
4. Any message received from an unknown sender via the Internet should either be immediately deleted or forwarded to the system administrator. Downloading any file attached to any Internet-based message is prohibited unless the user is certain of that message's authenticity and the nature of the file so transmitted.
5. Use of the School District's email system constitutes consent to these regulations.

Replacement of Devices: Each year, a \$50 technology fee is charged to cover the insurance cost from replacement of a device if it is damaged. If a device is broken, it will be replaced by the school. Before the new device is distributed to a student, an additional \$50.00 insurance fee must be paid to cover damage on the new device.

Non-School-Sponsored Publications/Websites (7.20)

Students are prohibited from accessing and/or distributing at school any pictures, written material, or electronic material, including material from the Internet or from a blog, that:

- Will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities;
- Violates the rights of others, including but not limited to material that is libelous, invades the privacy of others, or infringes on a copyright;
- Is socially inappropriate or inappropriate due to maturity level of the students, including but not limited to material that is obscene, pornographic, or pervasively lewd and vulgar, or contains indecent and vulgar language;
- Is primarily intended for the immediate solicitation of funds; or
- Is distributed in kindergarten through eighth grade and is primarily prepared by non-students, unless it is being used for school purposes. Nothing herein shall be interpreted to prevent the inclusion of material from outside sources or the citation to such sources as long as the material to be distributed or accessed is primarily prepared by students.

The distribution of non-school-sponsored written material must occur at a time and place and in a manner that will not cause disruption, be coercive, or result in the perception that the distribution or the material is endorsed by the school district. Please see the Superintendent with questions.

Section 8: Search and Seizure

Search and Seizure (8.10)

In order to maintain safety and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The building principal may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the school or district's student rules and policies. The search will be conducted in a manner that is reasonably related to its objective of the search and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the school or district's policies or rules, evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, evidence may be transferred to law enforcement authorities.

Section 9: Athletics and Extra-Curricular

Athletic Rules & Code of Conduct (9.10)

The Athletic Code applies to all students who want to participate in school sponsored athletic/extracurricular activities that are not part of an academic class nor otherwise carry credit for a grade. Athletics includes competitive sports, extracurricular activities, and cheerleading. This code applies in addition to other rules and regulations concerning student conduct and imposes additional requirements on student athletes and cheerleaders.

Participation in athletics is a privilege. Those who participate in athletics have a responsibility to favorably represent the school and community. Student athletes are expected to conduct themselves both in and out of school in a manner appropriate to their responsibilities as representatives of the school and district. If a student fails to comply with the terms of this code, the privilege to participate in athletics may be lost in accordance with the terms of this Athletic Code.

IESA

Eligibility for most athletics is also governed by the rules of the Illinois Elementary School Association and, if applicable, these rules will apply in addition to this Athletic Code. In a case of a conflict between IESA and this Athletic Code, the most stringent rule will be enforced.

Eligibility

Athletic eligibility is checked weekly (Friday or the last attendance day of the week) and runs from Sunday through Saturday. Teachers are required to enter grades each week and grades must be kept up-to-date. Students must maintain a C- or better in all classes to be eligible for extracurricular participation.

Anyone receiving a D+ or lower in a class is ineligible to participate in extracurricular activities. Chester-East Lincoln's eligibility guidelines apply to students that participate in activities co-oped with other districts (example: softball and wrestling).

- a.) Ineligible players will **not** practice with the team.
- b.) Ineligible players will attend home games only and sit on the bench or with the squad in street clothes.
- c.) Ineligible players will **not** attend away games or contests.
- d.) The activity coordinator will notify the student and will email the first contact in Skyward of ineligible players. If you do not have an email address, please notify the office and a paper copy will be mailed to your home address.
- e.) Any athlete/participant who is ineligible 3 weeks in a season will be removed from the team for the remainder of the season.

Extra-Curricular Activity Fee

Student athletes are required to pay a \$25 activity fee per activity (with a \$50 maximum per student athlete) in order to sustain our interscholastic sports programs. The activity fee covers the costs of coaches, officials, building and maintenance fees, transportation, sports equipment, etc. Activity fee must be paid (\$25) before the first game/contest in order for the student to participate.

Requirements for Participation

An athlete must have the following fully executed documents on file at the school office before the athlete's first participation in any activity:

1. A current physical examination report completed by a physician licensed in Illinois to practice medicine in all its branches which finds the athlete is physically able to participate.
2. Proof the athlete is covered by medical insurance.
3. A receipt showing the athlete and his/her parents received a copy of the Athletic Code located in the Student Handbook, understand the terms of the Athletic Code and agree to abide by its terms and conditions.
4. Activity fee must be paid (\$25) before the first game/contest in order for the student to participate.

Uniform Return

1. Student/Athletes must keep the uniform number they are assigned at the beginning of the season and return it at the end of the sports season.
2. Student/Athletes must wash their uniform before returning it. (Please launder colored uniforms separately from light ones. Turn uniforms inside/out before washing. Wash all uniforms in COLD water. NEVER place uniforms or warm-ups in the dryer except on low heat).
3. Students are responsible for returning the uniform issued to them at the start of the season. The uniform is expected to be returned after the last game. It should be returned to the coach (if the coach is a CEL employee) or to the athletic coordinator (Greg Hoffert).

*Any student that fails to return their uniform at the end of the season will not be able to start a new sports season until the uniform is returned or payment is made. Any student that does not return a uniform or make a payment for the uniform will not be recognized for that sport at Awards Night. If the uniform is lost or damaged, parents/guardians are responsible for the cost of the uniform/practice jersey so it can be replaced.

Behavioral Conduct

Misconduct by student-athletes will not be tolerated. Misconduct shall include but shall not be limited to:

1. Insubordination; or
2. Any behavior or action which is negligently or intentionally injurious to a person or property or which places a person or property at risk of injury or damage; or
3. Any behavior which disrupts the appropriate conduct of a school program or activity; or
4. Hazing, bullying, or harassment of any kind; or
5. Use of profanity; or
6. Exhibition of bad sportsmanship; or
7. Violation of any school rules or regulations or law.

Being a student athlete/extra-curricular participant means showing good conduct during the school day, as well as during practice or an event. Consequences are not scheduled around extra-curricular activities and cannot be rescheduled. On the day a student serves a suspension (in or out of school), they will lose the privilege of all evening activities (game, match, practice, school dance, etc.).

Athletic/activity practices are closed to any outside guests unless granted permission in advance the head coach.

If a student receives a 5th detention or a 2nd suspension, he/she will be removed from the team or club for the remainder of the season.

Drugs, Alcohol and Tobacco

Except with respect to prescription drugs used by the person for whom such drugs were prescribed in the manner intended by the prescribing medical doctor, the possession, use, distribution, purchase or sale of any alcoholic beverage, drug, drug paraphernalia, controlled substance, look alike, tobacco or tobacco product or any other substance which, when taken into the human body is intended to enhance performance or alter mood or mental state, including any item or substance which is represented by a student to be, or is believed by a student to be any of the foregoing, regardless of the true nature or appearance of the substance, is prohibited in school buildings, on school buses and on all other school property or school related events at any time. This prohibition shall include all school sponsored or school related activities, whether held before or after school, evenings or weekends and shall additionally include a prohibition of use by a student athlete in any instance where the school can demonstrate a reasonable connection to the school program or school athletic program. For purposes of this procedure, students who are under the influence of prohibited substances shall be treated in the same manner as though they had prohibited substances in their possession.

Rules in Effect

The rules set forth in this Athletic Code are in effect throughout the school year from the first practice session for any particular sport during a particular school term until the last day of that sport or until the last day of the school term whichever comes last and twenty-four hours a day, whether or not school is in session and including vacation periods, and holidays. The rules apply on and off campus and whether or not the misconduct occurs at school or a school-sponsored activity or in some other locale. The rules apply to an athlete from the beginning of the athlete's first tryout or practice in the first sport which the athlete attempts until the completion of any school year or the completion of the athlete's season whichever comes last.

Absence from School on Day of Activity

Student athletes must attend the entire school day in order to participate or dress that afternoon or evening in any extracurricular game, contest, or performance. An athlete who is absent from school on the day of an activity is ineligible for any activity on that day unless the absence has been approved in writing by the superintendent. Exceptions may be made for the following reasons: 1) for a medical absence pre-arranged with the school or 2) for a death in the athlete's family. An athlete who has one or more truancies or who has been suspended from school will be suspended from participation in athletic activities by administration. An athlete who is absent from school on a Friday before a Saturday event will be withheld from participating in Saturday's activities.

Athletic/Extra-Curricular Team Travel

CEL provides transportation to extra-curricular activities when they are outside of a 30 mile radius of Lincoln or when the activity begins before 5 pm on Monday-Friday. Transportation will be provided home when the activity is outside of the 30 mile radius. Any student returning to CEL on the bus must be accompanied by a coach. Student athletes will only be released to their parents unless other arrangements are made in advance with the coach. **CEL will not provide transportation to extra-curricular activities on Saturdays.**

CEL will not provide transportation to practices or games/matches that are co-oped with other districts (example: softball and wrestling) or practices that are not on school grounds (example: bowling). Transportation to and from practice or to the bus for a game/match is the responsibility of the parent.

School Dance Policy (9.20)

Attendance at dances held at CEL is considered to be a privilege. Eligibility to attend will be contingent upon the status of the student's discipline record. Final determination for attendance will be made by the administration.

- All school rules apply at dances.
- Only 5th -8th graders may attend school dances, with exception of "special" dances approved by administration.
- No outside guests are allowed.
- Students absent or suspended (in or out of school) on the day of the dance will not be permitted to attend.

Information about dances will be provided during morning announcements.

Student Athlete Concussions and Head Injuries (9.30)

A student athlete who exhibits signs, symptoms, or behaviors consistent with a concussion in a practice or game will be removed from participation or competition at that time. A student athlete who has been removed from an interscholastic contest for a possible concussion or head injury may not return to that contest unless cleared to do so by a physician licensed to practice medicine in all its branches in Illinois or a certified athletic trainer. If not cleared to return to that contest, a student athlete may not return to play or practice until the student athlete has provided his or her school with written clearance from a physician licensed to practice medicine in all its branches in Illinois or a certified athletic trainer working in conjunction with a physician licensed to practice medicine in all its branches in Illinois.

Behavioral interventions will be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. No special education student shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his or her disability as determined through a manifestation hearing. Any special education student whose gross disobedience or misconduct is not a manifestation of his or her disability may be expelled pursuant to the expulsion procedures.

Exemption from PE Requirement (10.30)

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

He or she (a) is in grades 3-12, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or

He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student's participation as required by the Superintendent or designee.

Section 11: Student Records

Section 13: Additional Information

PBIS at CEL

Chester-East Lincoln School uses the PBIS (Positive Behavior Interventions and Supports) program to address behavioral successes, needs, and concerns in the school. This program stresses proactive, rather than reactive, responses to students' behavior and encourages the adults to "catch them being good." It also promotes timely communication between school and home, especially if there is a behavior concern.

In order to be successful in implementing this positive and consistent approach to handling discipline matters and recognizing/acknowledging good behavior, the school personnel count on support from the families of our students. Parents can help the school by discussing the PBIS program with their children and reminding them what the school rules are and what good behavior looks like in the various areas of the school, on the playground, and on the bus. Parents should also encourage their children to be positive, productive learners. Your support in helping us to create a safer, more productive, and more positive learning environment is greatly appreciated.

Delegation of Authority

Each teacher, and any other school personnel when students are under his/her charge, is authorized to impose any disciplinary measure except in-school suspension, out-of-school suspension, or expulsion that is appropriate for the situation and is in accordance with district rules/policies on student discipline. Teachers may remove students from a classroom for disruptive behavior.

Behavioral Expectations

The PBIS process stresses the "pre-correction" of students, either individually or as a group, before transitioning to another activity or place. This means that the behavioral expectations for that activity and/or place are often reviewed prior to the transition. General re-teaching of rules and expectations also occurs at various times throughout the year, and students who display expected behaviors and act appropriately are acknowledged with "treasure tickets" that can be redeemed for items at our school store (named "Mrs. Albert's Store, in honor of Mrs. Connie Albert). They are also acknowledged during monthly "Celebrations".

When a student does not behave in accordance with the rules and expectations, that student is warned and re-taught/reminded of the proper way to behave. If the student still chooses to behave inappropriately, or a previous inappropriate behavior continues, the student is then given a **referral**, which he/she must take home for a parent signature. Parents/guardians are expected to sign referral forms and send them back to their child's homeroom teacher the following school day. Your signature simply acknowledges that you are aware of the incident. An unsigned or unreturned referral form will not eliminate the referral or its consequences. Since the referral form is meant to be a communication tool, we ask that you promptly return any signed forms that you receive from your child so that we know the information got home to you.

TAP Notes and "Major" Referrals

There are 2 types of referrals-TAP (Teacher and Parent Notes) and "Majors". Students are taught about both of them and are re-taught expected behaviors at various times throughout the school year in order to encourage them to make good choices and not get referrals. TAP notes and Majors will be sent home electronically to the first contact email on Skyward. If you do not have an email address, please notify the office and paper copies of TAP and Majors will be mailed to your home address.

TAP Notes: TAP Notes can be given by any staff member. Behaviors that are considered to receive a TAP Note include, but are not limited to: inappropriate language, physical contact, defiance/disrespect/non-compliance, disruption, not following the dress code, property misuse, being tardy, electronic violations (involving computers, cell phones, MP3 players, etc.), being unprepared for class, having food/drink/gum at an inappropriate time and/or when permission was not given, and not completing and/or turning in homework when it is due.

Majors: Major discipline referrals (called "majors") are more serious in nature than minors and are handled by the administration. Behaviors that are considered majors include, but are not limited to: abusive language, fighting/physical aggression, being overtly defiant or disruptive, harassment/teasing/taunting, significant or repeated violations of the dress code, inappropriate display of affection, serious or repeated misuse of electronic devices, lying and/or cheating, and vandalism/property damage. Students who receive 3 minors for the same offense or 6 minors for various offenses will also earn a major because of the repeated misbehavior.

Students who earn majors are sent to the office and/or talked to by the superintendent/principal, who then makes a decision about appropriate consequences for the misbehavior. The consequences assigned could be any of the following: a conference with the student, parent contact, loss of privilege (such as no recess or not eating in the cafeteria with friends), time in the office or in a time-out area, detention, in-school or out-of-school suspension, or another consequence that is deemed appropriate for the offense.

Description of the RtI (Response to Intervention) Process

RtI is a process designed to help schools focus on student achievement by providing high quality interventions that are matched to student needs and monitored on a frequent basis. The information gained from the RtI process is used by school personnel and parents to adapt instruction and to make decisions regarding a student's educational program. For more information, please contact the district superintendent or your child's teacher.

Community Club

The Community Club is a group of volunteers that work with the school to promote the welfare of the CEL students. It meets monthly to work on projects and to provide special programs, activities, and resources to benefit students. Please see the district website for meeting dates and times.

Uniform Grievance Procedure

Students, parents, guardians, employees, or community members should notify any District Complaint Manager (Superintendent Laura Irwin or CEL teacher Greg Hoffert) if they believe that the Board of Education, its employees, or agents have violated their rights guaranteed by the State or federal Constitution, State or federal statute, or Board policy, or have a complaint regarding:

1. Title II of the Americans with Disabilities Act;
2. Title IX of the Education Amendments of 1972;

3. Section 504 of the Rehabilitation Act of 1973;
4. sexual harassment (Illinois Human Rights Act, Title VII of the Civil Rights Act of 1964, and Title IX of the Education Amendments of 1972);
5. the misuse of funds received for services to improve educational opportunities for educationally disadvantaged or deprived children; or
6. curriculum, instructional materials, programs.

The Complaint Manager will attempt to resolve complaints without resorting to this grievance procedure and, if a complaint is filed, to address the complaint promptly and equitably. The right of a person to prompt and equitable resolution of the complaint filed hereunder shall not be impaired by the person's pursuit of other remedies. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies, and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail himself/herself of this grievance procedure may do so by filing a complaint with a District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same sex. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with the parent(s)/guardian(s) of a student. The Complaint Manager shall assist the Complainant as needed.

Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his/her behalf. If the Complainant is a student, the Complaint Manager will notify his/her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except (1) as required by law or this policy, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant. The Complaint Manager shall file a written report of his/her findings with the Superintendent. If a complaint of sexual harassment contains allegations involving the Superintendent, the written report shall be filed with the Board of Education, which shall render a decision in accordance with Section 3 of this policy. The Superintendent will keep the Board informed of all complaints.

Decision and Appeal

After receipt of the Complaint Manager's report, the Superintendent shall render a written decision, which shall be provided to the Complainant. If the Complainant is not satisfied with the decision, the Complainant may appeal it to the Board of Education by making a written request to the Complaint Manager. The Complaint Manager shall be responsible for promptly forwarding all materials relative to the complaint and appeal to the Board of Education. Thereafter, the Board of Education shall render a written decision, which shall be provided to the Complainant. This grievance procedure shall not be construed to create an independent right to a Board of Education hearing.
